

## Change in the location for the Nordic Championship - 2017

We have had some unforeseen problems and we must change the location of the Nordic Championship 2017. The new location is Korsfløyta rifle range. (Address: Finnholtveien 1316, 2114 Disenå; GPS: N 60°07,615' E 011°45,158'). The local club: North & South is in the process of upgrading this facility. The shotgun events will be at the same location. This rifle range is located at the border Hedemark and Akershus (10 km from Skarnes).

The date for the competition remains as previously announced: July 21<sup>st</sup> to 23<sup>rd</sup>.

Please inform your members about this new location for the championship 2017.

Possible camping locations:

- Sanngrund (Phone: 629 64 660; <http://www.sanngrund.no/>). This is a 20 minute drive from the rifle range. This facility has 34 cabins and a camp ground. The food is excellent at their restaurant.
- Vormsund Golf Hotell ( <http://www.golfhotell.no/>) This is a 30 minute drive from the rifle range.
- Vinger Hotel and Spa in Kongsvinger (<http://www.vinger.no/>). This is a 30 minute drive from the rifle range.
- Other hotels can be found near Jessheim and Gardermoen, but that will be approximately 60 minute drive from Korsfløyta.
- There is also a possibility for camping by the rifle range and the old school that is 500 meters away. The school will be used for the secretariat for the championship.

We will provide further details later in the fall.
